- **Board-certified** by the American Board of Ophthalmology

Directions to ORA Vision

We are at the Forum in Peachtree Corners on Peachtree Pkwy.

5185 Peachtree Pkwy, Suite number 365 30092

We are **in the building with the Trader Joe's**, Jos. A. Bank, Hallmark, and Newk's Eatery. We recommend [parking in the back](#) lot by Trader Joe's and *entering through the glass double doors in the center of the building*. The elevator will be in the middle of the hallway. Dr. Patel is on the 3rd floor. Go left off the elevators, then left into the hallway.

We are on the left past the restrooms.

Excellence in Ophthalmology with Passion For Patient Care
